### Tony Patiño Fellows-Elect

The Tony Patiño Fellowship was created to support those individuals whose personal and academic histories show leadership, academic achievement, ethical and honorable conduct, good moral character, dedication to human values, participation in public service activities, well-adjusted personality, and good judgment. The Fellowship provides educational and living expenses, and is renewable for two subsequent consecutive academic years based upon the fellow-elect's personal and academic performance, and his or her participation in the legal profession. Upon receiving the two renewals of fellowship, the final approval of the renewal committee, and a Juris Doctor degree, the fellow-elect is then known as a "Tony Patiño Fellow."

## Willie L. Brown, Jr.

Two-term Mayor of San Francisco, legendary Speaker of the California State Assembly, and widely regarded as the most influential African-American politician of the late twentieth century, Willie L. Brown, Jr. '58, has been at the center of California politics, government, and civic life for an astonishing four decades. His career spans the American Presidency from Lyndon Johnson to George W. Bush, and he's worked with every California Governor from Pat Brown to Arnold Schwarzenegger.

From civil rights to education reform, tax policy, economic development, health care, international trade, domestic partnerships, and affirmative action, Willie Brown has left his imprimatur on every aspect of politics and public policy in the Golden State. Today, he heads the Willie L. Brown, Jr. Institute on Politics and Public Service, where this acknowledged master of the political game shares his knowledge and skills with a new generation of California leaders. We are extraordinarily proud that Willie Brown is a graduate of UC Hastings.

## Caps and Gowns

In medieval cities, the everyday dress of many citizens was similar to that worn by the participants in this commencement ceremony. The costumes of the medieval guilds and early religious orders evolved into academic garb in the 12th and 13th centuries when universities were first taking form. Different degrees are symbolized by slight variances in the color and design of gowns and hoods. The two degrees being conferred today adhere to this academic tradition.

The original purpose of the gown was to provide warmth in unheated buildings. The design indicates the degree earned. The gown for the master's degree (LL.M.) is untrimmed and has an oblong sleeve. The gown for the doctoral degree (J.D.) is trimmed in velvet with three bars across the sleeves and facing down the front; it has a bell-shaped sleeve.

The hood traditionally served as a cover for the tonsured head and indicates the subject matter of the degree and the faculty from which it was awarded. During the ceremony, the hood is placed on the graduate to recognize the academic accomplishment and to welcome the graduate into the society of professionals. At the University of California, Hastings College of the Law, hoods are lined with a blue chevron on a gold ground to represent the University colors. The color of the velvet edging on the hoods represents the subject in which the degree is earned: for law, the color is purple. The tassel is placed on the left side of the cap, which indicates an advanced degree.

## The Mace

Traditionally at UC Hastings, the Associate Academic Dean carries the mace and leads the academic procession at commencement. Historically, the mace was seen as an image of warlike battle. Centuries ago, kings began to change this image by replacing spikes with precious gems and jewels to use the mace in ceremonies as a symbol of peace and leadership. Today, the mace is used in ceremonies as a symbol of authority.

Hastings proudly displays a mace which was donated by the Class of 2005. The mace was designed to reflect the history, goals and ideals of UC Hastings. The finial at the top points to the Way to the Future. The three rings, or beads, around the finial represent Mind, Reason, and Intellect. The large ball holds the medallion, a symbol of UC Hastings itself. The first bead under the medallion symbolizes UC Hastings as the oldest law school in California. The two beads below represent Morality and Professional Honor. The three beads around the top part of the shaft represent the Vision of the Founders, the Hopes of the Professors, and the Desires of the Students. The body of the mace represents that which is conveyed in the Present. The pointed tail of the mace represents that which was gained from the Past. The mace itself is made from California redwood.
